### **A Gentle Death**

You will support me with all options for a gentle death, including providing medications that I can self-administer to help my death be as peaceful as possible. I am not requesting that you do anything unethical while I am in your care, but I hope for your reassurance that you would support my personal end-of-life care choices as listed above.

### **A Gentle Death | Compassion & Choices**

The many cases used to illustrate aspects of the argument for the right to die are variously heartbreaking, inspiring and provocative. It is these stories, some painful to read, all highly personal, that place "A Gentle Death" at the heart of the current, controversial debate.

### **A Gentle Death**

In A Gentle Death, Marilynne Seguin draws on her experience with hundreds of seriously ill and dying people in exploring the moral and legal implications of euthanasia. She offers useful advice on working with doctors and other health-care professionals, dealing with unresolved personal conflicts and involving family members and friends in the decision-making process.

### **A gentle death (Book, 1994) [WorldCat.org]**

Following through, however, is what offers us that gentle death. Comfort rather than pain and suffering. Serenity rather than anxiety. And so we search and discuss, examine possibilities like Death with Dignity and hospice and palliative care and others.

### **A Gentle Death, Part III | Post Polio: Polio Place**

A gentle death, when comfort, caring, and presence are priorities, is invariably a death at home or in the peaceful surroundings of a Hospice In-Patient Unit. The opportunity to have your loved one drift away peacefully, in the comfort of their own home, in their favourite bed or in your arms, with their loved ones there at their side, is truly a gift of immeasurable worth.

Death with Dignity The Oregon Death with Dignity Act is one option. Although voters in the state of Washington passed a nearly identical law in 2008, and in 2009 the Montana Supreme Court approved progress made in such a law in that state, the Oregon Death with Dignity program provides information from 15 years of its successful operation.

Thanks to the record-keeping and analysis done by men like Lemuel Shattuck, Ezra Ripley, and Edward Jarvis, there are statistics on deaths in Concord which detail dates, ages, and causes. These records show that consumption was the leading cause of death in Concord in the first half of the 19th century.
