Conference Icete Athens*

### **E Business And Telecommunications 7th**

Telecommunication is the transmission of signs, signals, messages, words, writings, images and sounds or information of any nature by wire, radio, optical or other electromagnetic systems. Telecommunication occurs when the exchange of information between communication participants includes the use of technology. It is transmitted through a transmission media, such as over physical media, for ...

Independent sponsors (also known as fundless sponsors because they source the deal first and then finance it) have been on the rise over the last few years due to the private equity marketplace becoming highly competitive. They provide unique opportunities for private equity and mezzanine debt investors who are looking to better align incentives with the standard private equity fund.
