Eurocommunism Is Anti Communism

Eurocommunism was a revisionist trend in the 1970s and 1980s within various Western European communist parties, which said they had developed a theory and practice of social transformation more relevant for Western Europe. During the Cold War, they sought to undermine the influence of the Soviet Union and the Communist Party of the Soviet Union. It was especially prominent in Italy, Spain and ...

Eurocommunism - Wikipedia

In political and social sciences, communism (from Latin communis, "common, universal") is the philosophical, social, political, and economic ideology and movement whose ultimate goal is the establishment of the communist society, which is a socioeconomic order structured upon the common ownership of the means of production and the absence of social classes, money, and the state.

Communism - Wikipedia

Communism, political and economic doctrine that aims to replace private property and a profit-based economy with public ownership and communal control of at least the major means of production (e.g., mines, mills, and factories) and the natural resources of a society. Communism is thus a form of socialism—a higher and more advanced form, according to its advocates.

communism | Definition, Facts, & History | Britannica.com

Marxism-Leninism is an adaptation of Marxism developed by Vladimir Lenin, which led to the first successful communist revolution in Lenin's Russia in November 1917. As such, it formed the ideological foundation for the world communist movement centering on the Soviet Union. In the twentieth century, all nations calling themselves communist and communist parties in other nations were founded on ...
