request: Can you do a scenario thingy of the type of girl each bts member would be into based on your opinion? a/n: okuurr (cardi b? hello?) so this is the girl I ideally think they would really like? I didn't specify like race or anything but more just how she would be as a person and what would be attractive to them!

If you've already taken my advice and purchased yourself a 22 LR rifle (like the Ruger 10/22 which is my favorite) or already have one, you probably love how quiet the 22LR rounds are compared to most other ammunition. But despite being relatively quiet, they are still noticeable to within a few hundred yards by others around you.
