Cake decorating techniques for beginners. Years ago, while I was still a student, I decorated cakes for a living. True story! It was the best job in the world – I made my own hours (which usually involved sleeping in til noon), I was creatively fulfilled, and most importantly, I got to eat a lot of cake.. So today I'll be sharing with you my top cake decorating tips.

Cake pricing or how to price your cakes and cupcakes can be the most challenging and intimidating question to most beginners in the cake decorating world. Cake Pricing is not just about adding ingredients and adding a mark-up but understanding what should be included in your cake pricing chart. In this post I share

### **Cake Pricing - How to Price your cakes - Veena Azmanov**

For about the first 2 years of doing cake, I was charging \$1-\$2 per serving for cakes. That was not good.. Although I was inexperienced, flying by the seat of my pants, and learning as I went, I was still undercharging.

### **How to Charge for Cakes - Rose Bakes**

Sure, the cake decorating world is full of fancy piping tips, clever cutters and specialty tools you can use to create amazing effects. But that doesn't mean you have to buy out the store to get started.
