Constructivist teaching is based on constructivist learning theory. Constructivist teaching is based on the belief that learning occurs as learners are actively involved in a process of meaning and knowledge construction as opposed to passively receiving information. Learners are the makers of meaning and knowledge.

Constructivist teaching methods - Wikipedia

For years, the field of reading education has been engaged in thinking about best practices. Explicit instruction in vocabulary, rereading and using digital textbooks to motivate children's reading are among some of these updated best practices.
