The HCG Diet can be challenging if you have a busy social, business or family life. For those that cannot find a stretch of time where they can focus on the protocol for the complete length of a round, there is an option to take a break, or planned interruption.Dr.

**Hcg Diet Planned Interruptions: How to Take a Break in ...**

HCG 2.0 weight loss program is a combination of a diet drops intake and a low-calorie diet as described in our HCG 2.0 diet protocol. When HCG is taken using our diet drops, it helps your body access your abnormal stored fat and hcg triggers the body to break down fat cells which are then burned off and use as the body's energy.
