Good ideas – Moveable feasts. When we first found and fell in love with the big house at 1 rue de Loudenne, a building rich with history and many past lives, we wanted to turn parts of it into a restaurant. It was a good idea but we soon came up with something better, more intimate and more enjoyable.

Rare, medium or done? A Western history of definitions & preferences According to the Oxford English Dictionary, the word "rare," counterbalancing "done" describing the doneness of meat, descends from the word "rear," meaning imperfectly cooked or underdone. The original culinary use described eggs. The earliest print reference to the word "rare" relating to meat cookery is circa 1615.
