Definitions of "Science Fiction" And what do we even mean by "science fiction" anyway? In one sense, the first article to define the field was published over 150 years ago, before the field was widely acknowledged to exist: New Species of Literature "We learn that Mr. R. A. Locke, the ingenious author of the late 'Moon Story' or 'Astronomical Hoax,' is putting on the stocks the frame of a new ...

It goes without saying that you'll need insurance, but it's not something you should be sorting at the last minute as policies vary significantly, start coving you immediately for pre-trip problems and you need to spend a little time reading small print and making sure you don't overpay. There are hundreds of travel insurance companies.
