

Managing Chronic Pain With Opioids In Primary Care Pain Edu

Managing Chronic Pain With Opioids

My research focuses on the mechanisms of chronic pain. I am doing this because I know that there is a need for better non-opioid management options for chronic pain. Because of my experience, I can see why we need to control the overuse of opioids while still making sure they are available when necessary to help people manage their pain.

How I'm Managing My Chronic Pain Without Opioids | HHS.gov

Many people are turning away from opioids and incorporating a range of techniques to combat chronic pain. In fact, a recent long-term study suggests that opioid treatment is often not superior to non-opioid treatment, specifically when it comes to chronic back pain and hip or knee osteoarthritis. 1 Chronic pain management programs will vary from person to person and must take into ...

Managing Chronic Pain Without Opioids
