Get help from an expert Statistics Tutor. Statistics is a branch of math that involves collecting, organizing, analyzing, and interpreting data. Job positions in government agencies use statistics to measure the economic progress of a country or to predict the probability of success for a crop in a certain area. For a majority of college majors, statistics is a requirement, but that doesn't ...

CLEP exams test you on the equivalent of an entire college semester’s worth of curriculum in approximately 90 minutes. While the idea is to test you on material you are very familiar with, some practice on the content and test itself is in order as a satisfactory score earns you the college credit you’re after.
