The Enduring Relevance of Robert E. Lee: The Ideological Warfare Underpinning the American Civil War Marshall DeRosa DeRosa uses the figure of Robert E. Lee to consider the role of political leadership under extremely difficult circumstances, examining Lee as statesman rather than just a military leader and finds that many of Lee's assertions are still relevant today.

Begging the Question. A form of circular reasoning in which a conclusion is derived from premises that presuppose the conclusion. Normally, the point of good reasoning is to start out at one place and end up somewhere new, namely having reached the goal of increasing the degree of reasonable belief in the conclusion.

Prosocial behavior, or intent to benefit others, is a social behavior that "benefit[s] other people or society as a whole", "such as helping, sharing, donating, co-operating, and volunteering". Obeying the rules and conforming to socially accepted behaviors (such as stopping at a "Stop" sign or paying for groceries) are also regarded as prosocial behaviors.

For these and other references using and founding the MCT see more. Warning: False claims and false name calling. There are authors who falsely claim that they can measure moral competence with a moral attitude or preference tests. If a test does not contain any difficult task and, therefore, the participants can easily fake their scores upward, it is no competence test.
