'Planet Earth' is a staggering documentary, one ambitious in scope and filled with lovely, often breathtaking imagery. Likewise, this Blu-ray release is sure to be instant demo material, as the video is just about perfection.

Planet Earth: The Complete BBC Series Blu-ray Review ...

The idea for Planet Earth was born, and the series was commissioned by Lorraine Heggessey, then Controller of BBC One, in January 2002. A feature film version of Planet Earth was commissioned alongside the television series, repeating the successful model established with The Blue Planet and its companion film, Deep Blue.
