

Politics During World War 2

Politics During World War 2

Politics of the United States during World War II. Certain expediencies were taken within the existing structure of the Federal government, such as conscription and other violations of civil liberties, and the internment and later dispersal of Japanese-Americans. Still, elections were held as scheduled in 1944.

Political, Economic, and Social Effects of WWII by on Prezi

The emperor-based ideology of Japan during World War II was a relatively new creation, dating from the efforts of Meiji oligarchs to unite the nation in response to the Western challenge. Before the Meiji Restoration, the emperor wielded no political power and was viewed simply as a symbol of the Japanese culture.
