The Sweet Fanny Adams album (first for the band who dropped The and called themselves SWEET) also featured compressed high-pitched backing vocal harmonies, which was a trend that continued on all of Sweet's albums. Sweet, and contemporary UK band Queen, were both recognised as one of the main exponents of high-pitched harmonies during the 1970s.

When I was finished with sweet, I assumed it was a standalone, but goodreads says it is the first in the Sweet series. Now I am even more intrigued by the book than I was when I finished it, because I cannot wait to see what the author is going to do next with the series. It is going to be freakin' insane. I really enjoyed Sweet.
